**Application**

**Below are some key points to take away from this study. Take time to discuss the points and pray together:**

- If want to experience more of God in your life, your first step is to remove, smash, cut down, and break up, anything that is between you and God.
  
- ASK GOD to reveal what is taking away your worship from Him!
  
- What you hold on to the tightest will shape you the mightiest.
  
- Walking with God is a choice to cling to Him every day. It's a conscious choice for the grasp of your faith to be stronger than the temptation to let go.
